Ev-ry-bod - y must have some-bod - y to
I'm so lone-ly, I'm wait-ing on - ly for

care for, Somebod-y to share, Each sorrow and care, I'm one body, who
some-one, Someone wholl a - gree, To love on-ly me. I'm con-fessin' I

has no - bod - y and there - fore, I ask you, does - n't it seem strange, That my luck does - n't change?
need a less-on that will be, The sort of thing for which I crave, No wonder now I rave:

REFRAIN

I'm always 'round by my own - some, I'm missin' kissin' and want some, I'm getting nervous

 wishing and waiting for love. I'm gonna steal it from some- one, I feel like takin' it

 from one, I got the fidgets wishing and waiting for love..... I bought a gown, finest in

 town, It cost me most of my dough,.... I look'd my best when I got dress'd, Then I had no place to go.....

 I'm always 'round by my own - some, I'm missin' kissin' and want some,

 I'm growin' older, wishing and waiting for love..... love.....

Wishing and waiting for love.
