In Youth is Pleasure

IN an arbour green, asleep whereas I lay,
The birds sang sweet in the middes of the day ;
I dreamed fast of mirth and play :
In youth is pleasure, in youth is pleasure.

Methought I walked still to and fro,
And from her company I could not go ;
But when I waked it was not so :
In youth is pleasure, in youth is pleasure.

Therefore my heart is surely pight
Of her alone to have a sight,
Which is my joy and heart's delight :
In youth is pleasure, in youth is pleasure.
